# Dedication

The *Student's Pen* staff and the pupils of East Bridgewater High School dedicate this 1950 Graduation Issue of the *Student's Pen* to

Miss Marlene L. Andrews

Our sincere gratitude and appreciation are extended to Miss Andrews for the time she has given so generously, her patience, keen judgment, understanding, and unceasing effort which have made the *Pen* an outstanding school publication.

From the time of her graduation as valedictorian of her class at East Bridgewater High School, through her college years at Boston University where she was elected to the Phi Beta Kappa Society, to the present, Miss Andrews has been a student of the literary and dramatic arts. It was this love of the finest in literature which prompted the first publication of the *Pen* in 1920. Since then, her many pupils have found, through the *Pen*, the opportunity to gain experience and to improve their techniques in the literary field. The many achievements of her pupils and the many awards received by the *Pen* are a tribute to her inspirational leadership. Last year the *Student's Pen* won the State award for the best school magazine published in its field in a contest sponsored by the *Boston Globe*. This year the *Pen* went on to greater heights in winning the First Prize Certificate in a national contest sponsored by Columbia University of New York. Over 1300 publications were entered in this contest.

To you, Miss Andrews, we extend our heartfelt thanks.

## Onward, Youth

### Class Ode

The ranks are forming,  
Hear the trumpets resound.  
As youth stands ready  
For their orders to sound.

We'll join this parade of life  
And march to its mighty band;  
We'll follow its notes of courage  
Past the world's great reviewing stand.  
We'll wave our colors of loyalty  
And unfurl the banner of truth,  
Step surely and proudly forward  
When the order is "Onward, Youth."

We'll march to the rhythm of hope,  
Firmly stepping along life's way;  
We'll always believe in our Leader  
And follow Him every day.  
We've worked for this moment so valiantly  
When, guided by faith and by truth,  
We'll march so bravely forward  
To the order of "Onward, Youth."

The ranks are forming,  
Again trumpets resound;  
Now youth stands ready  
For "Onward" to sound.

ANNE KENNEALLY, '50

## **Doll Comes Alive! Oh, Baby!**

October 1946. Miss Sullivan recently invited the members of Latin 9 to bring their dolls to class. The next day Bob Harmon led his doll in by the hand. The baby doll? Barb Cliff!

## **Vive La France!** **CLASS ADOPTS FRENCH WAR ORPHAN**

January 1947. The Class of 1950 announces its adoption of a twelve year old French girl, Claude Nonnet, of Buzancais, France. The class intends to send food and clothing over a period of six months. Miss Muriel Middleton, the class adviser and a diligent worker for the French Relief, will supervise the packing of the boxes.

## **Class at Junior High Graduates**

June 19, 1947. Today sixty-one fine and worthy pupils received their Junior High School diplomas. Simple but impressive exercises were conducted in celebration of the event.

## **Memories**

June 21, 1948. The E. B. H. S. sophomores were guests at a weenie roast held at Betty Conti's home. Our year as "wise fools" has ended, and in celebration we gathered with four faculty members for a little merrymaking. We ate until we were stuffed and then tried to dance in the driveway. Finally we all piled into cars and went to a lawn party.

## **Sub Rosa Activities Uncovered in Room 201**

June 21, 1948. The crime would not have been revealed if the careless culprits had not left a banana peel in the wastebasket and crumbs on the desks. The clues were discovered at recess today by an inhabitant of Room 201. Further investigation proved that a picnic had been held.

It seems that Richard Smith and Anne Kenneally, members of second year Latin class, were to attend a Student Council picnic which was cancelled because of rain. As a result Anne and Dickie were left holding a sizeable bag of "vittles," and rather

than see the food wasted they shared it with their Caesar-suffering classmates. A jelly bean found in the teacher's pencil tray suggested that Miss Sullivan probably endorsed and aided in the execution of the scheme. Since school will close in a few days, no further action will be taken on this case.

## **Fighting Littles Fought**

December 9, 1949. The Class of 1950 presented their class play, *The Fighting Littles*, before a capacity audience at the high school auditorium. The excellent direction of Mr. Emery S. Loud was evident throughout the play, and Miss Mary Waterman did a splendid job as make-up artist. The audience had many laughs over Mr. Little's "dobble-dob-dab-bob-bab-best" and Mrs. Little's frequent, "But Ripley!" Norman Peel's exit in the third act was uproarious. Filmer did a fine job of showing his resentment toward his dear Aunt Olita for warming his feet with a hot water bottle. Goody demonstrated amazing strength when she broke a record over Ham Eller's head. Antoinette's manner was charm-

ing, and Henriette was a real Southern belle. Almatina's fear of Mr. Little was excellently portrayed. All enjoyed Mrs. Harpeddle, her "dear" son Dickie, and the Egyptian dancer, Miss Pologa. Goody's two friends, Screwball and Cucko, were very entertaining.

### Film Rental Service

May 15, 1949. An exciting, thrilling movie that shows Club '50 during the busy season and its disastrous fire on April 30 is now available. Anyone wishing to rent the film is advised to contact Photographer Conti for further information.

### Search For New Evidence Continues

December 21, 1949. The crowds were buzzing in anticipation as the East Bridgewater High Court resumed session in the famous trial, Problems of Democracy Class vs Mysterious Trophy Thief. The secret removal of a basketball trophy from its case has caused cries of "Thief!" to resound within the ivy-covered walls of E. B. High, and local authorities have placed every member of the Problems of Democracy class under suspicion. The trial seems to be shrouded in a web of mystery and intrigue.

In a statement to the press, Her Honor, Joan DiGiano, revealed that this was the most baffling case of her career. Up to this point a motive has not been established, and the testimonies of the witnesses have only added to the confusion. Both attorneys were bewildered, and Attorney for the Defense, Bruce Edson, offered little support for his client, Julius Hayward. Whether this is an indication of his innocence or guilt remains to be seen. The search for new evidence still goes on, and the townspeople eagerly await the outcome of this celebrated trial.

### Needed Immediately!

January 3, 1950. Will some interested reader please notify the senior class of any supply of ink available for use in Room 201 during fifth period and World History class. Willing to buy, rent, heg, borrow, or steal. Mr. Lays' bottle has run dry!

### Orders Taken

April 25, 1950. For hire. Caps and gowns. All sizes. Boys' are navy blue; girls' are white nylon. Blue and gold tassels are available for a slight additional fee. Arrangements may be made with Bob Harmon or Anne Kenneally.

### Eviction Notice!

June 9, 1950. All seniors are advised to pack and be out of Room 201 by June 9. Otherwise, rent will be charged for another 180 days.

## Great Expectations for 1951

As a body, the Class of 1951 has been very active. Following our graduation from the ninth grade, our first big event, we silently made an oath of co-operation. Our Sophomore Hop was a wonderful success. Remember those unique faces peering down from the walls?

At our Junior Prom we danced in a Chinese garden laden with fragrant incense. Stone walls deftly camouflaged the bleachers, and the little lanterns and parasols were quaint and appropriate.

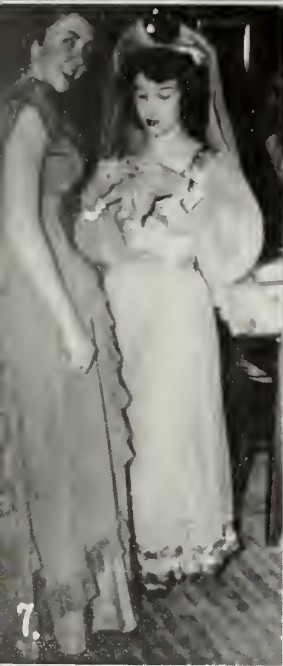

Our classmates are eager participants in the many activities of E. B. High. We proudly claim our three promising scientists: Bill Earle, who demonstrated his Tesla coil on a Boston television network, and Al Boni and Bob Chamberlin who recently participated in a three-day Science

Fair at M. I. T. School publications work holds the interest of many Juniors, with our Sherry Noyes as an assistant editor of the *Student's Pen*. In the field of athletics, the Junior class is well represented on both the boys' and girls' basketball teams and on the baseball team. Our Junior girls surely make snappy cheerleaders! The Arts are not neglected by our industrious Juniors. Many of our music lovers are active members of the mixed chorus and band. The art classes, too, are buzzing with busy Juniors.

During our three years on the "second floor" we have had the leadership of a fine classmate and president, August Dube. We have been a devoted class—devoted to one another and to our task of becoming educated and honest citizens.
